PROFESSIONAL SUMMARY

MCA postgraduate specializing in Artificial Intelligence, Machine Learning, and Data Science with outstanding academic performance and hands-on industry experience through an AI/ML internship at Shanti Infosoft LLP (CMMI Level 5 Company). Proficient in Python, machine learning, predictive analytics, and AI-driven application development. Passionate about higher education, student mentoring, and outcome-based education, with a strong interest in research and practical learning. Seeking to contribute as an Assistant Professor by fostering academic excellence, innovation, and industry-aligned Computer Science education.

TEACHING COMPETENCIES

Programming	Computer Science
Python Programming	Database Management System
Programming Fundamentals	Software Engineering
Data Structures	Web Technologies
AI & Data Science	**Emerging Technologies**
Artificial Intelligence	Cloud Computing
Machine Learning	
Data Science	
Predictive Analysis	

TECHNICAL SKILLS

AI / ML	Python • Scikit-Learn • Pandas • NumPy • Machine Learning
Programming	Python • Java • JavaScript
Web	HTML • CSS
Database	MySQL
Tools	Git • GitHub • PowerBI • Google Colab • Jupyter Notebook

PROFESSIONAL EXPERIENCE

AI/ML Intern (Industry Immersion) *January 2026 – June 2026*
Shanti Infosoft LLP, Indore | CMMI Level 5 Certified

- *Worked on machine learning model development and predictive analytics.*
- *Applied data preprocessing, feature engineering, and model evaluation techniques.*
- *Developed Python-based ML solutions using Scikit-Learn and Pandas.*
- *Created visualizations and analytical reports for decision-making.*

MAJOR ACADEMIC PROJECTS

Mind Scan Analyzer | ***MCA Final Year Project***

EEG-Based Mental Disorder Prediction

Technologies: *Python* | *Scikit-Learn* | *Random Forest* | *FastAPI* | *React*

- *Developed an AI-powered EEG analysis platform for mental disorder prediction.*
- *Implemented preprocessing, feature engineering, and Random Forest classification.*
- *Built interactive dashboards for prediction visualization.*
- *Presented the project during MCA final year evaluation.*
